SUMMARY

Enthusiastic B.tech Computer Science student with a foundation in PHP, SQL, HTML, and CSS. Skilled in developing dynamic web applications and database-driven systems. Eager to gain industry experience, contribute to real projects, and enhance development skills through a challenging internship opportunity in a tech-driven environment.

PROJECT

Simple Blog Website using PHP & MySQL

· I developed a lively blog management system with PHP and MySQL that allows users to create, edit, and delete their blog posts easily.
· I designed a responsive front-end interface for viewing blogs and built an admin dashboard for managing all the content. To keep things secure.
· The admin login and handled database operations using SQL queries.

EDUCATION

B.Tech in Computer Science Engineering

Ambalika Institute of Management and Technology · Lucknow, UttarPradesh · 2026

12th

Bihar School Examination Board · BIHAR · 2021

10th
